The Romantic Heart of Colchester

Tymperleys is a unique Tudor building surrounded by a walled garden in the heart of Colchester. Walk through the passage off Trinity Street into an oasis of calm and romance.

If you are looking for somewhere for your wedding that is intimate, beautiful and has excellent catering, then Tymperleys is the ideal choice.

You can hold your wedding ceremony, reception or both at Tymperleys.

Wedding Ceremonies

The lovely Tudor rooms offer various opportunities for wedding ceremonies from 4 to 50 guests. The traditional interior of wood and white plaster, leaded windows and beams offers a beautiful setting for your ceremony, followed by photographs in the Rose Garden.

You will need to contact the Colchester Register Office (tel: 0845 603 7632) to discuss the legal requirements and to book a Registrar for the ceremony. The Registrars are in charge of the Ceremony and payment for their services is made directly to them.

The first floor laid out as a single room will accommodate up to 50 people for a wedding ceremony. On the ground floor, the Tea Rooms can hold up to 20 guests.

Drinks:

Sparkling Elderflower	£2.50 pp/glass
Prosecco	£4.00 pp/glass
Champagne	£8.00 pp/glass

Ceremony Fee: £450.00

The fee sets aside a room to be used for a wedding Ceremony and our wedding planner who will ensure you and the Registrars are looked after. The space can be used for up to 2 hours, to enable you to have a celebratory drink and photographs afterwards. The drinks will be waiting for you as you leave the ceremony and can be enjoyed in the Rose Garden or, if the weather is inclement, in your Ceremony room.

Photographs can happen during this time, but no confetti is allowed.

On the day itself, we will give you the celebration you want, allowing you to relax and enjoy a wonderful day.

At Tymperleys you can hire the entire premises, giving you exclusive use for the whole day. Alternatively, you can use the private rooms on the first floor. We will be delighted to help work out which is the best option for you.

Tymperleys is a restaurant that is open daily from 10am to 5pm. The restaurant has three rooms on the ground floor and additional capacity outside in the walled garden.

The rooms on the first floor are dedicated to private events, and can seat up to 50 people, however we can divide the space with a fine tapestry, creating an intimate dining room for up to 30 people.
